

WISPERWOOD VILLAGE

9301 SW 92nd Ave Miami, Fl 33176

Landscaping updates

The association has begun to replace much of the sod in the community. We are beginning with building C and working our way towards building A over the coming months.

Communicating with the office

The best way to reach the property manager is via email. Due to the nature of the job, there are many times the property manager is required to be offsite.
wisperwood@fostercompany.net

Bike Storage Available

The Bike storage room has space! Please contact the office if you would like to store your bike. Reminder: bikes are strictly prohibited from being stored on your balcony so the bike room is a great option!

Random Fun

St. Patrick's name wasn't actually Patrick. His real name was Maewyn Succat.

Important Dates

3/4 - Fire Alarm Testing

3/10 - Grievance Meeting 6pm

3/18 - Board Meeting 7pm

Fire Alarm Testing

Wisperwood Village will be conducting its annual fire alarm testing this month. It is very loud but is required by law. Please do not disconnect the horns in your unit. As a reminder, disconnecting your signal horn in your unit will result in a fine of up to \$500, plus the cost of reconnection, plus any additional fines from the county. In other words, please be patient while we undergo this mandatory annual fire alarm testing

Social Committee

Our first annual Summer Kickoff Barbecue will take place in June. We need your help! If you would like to help organize and plan, please contact the office. This event will be open to all Wisperwood Residents. Also, if you have any good ideas for other events, please let us know!
